

KERCA
Kilteel, Eadestown, Rathmore Community Alert
kercommunityalert@gmail.com

Dear Resident

We are setting up a Community Alert scheme in this area. The scheme is also supported by Muintir na Tire and the local Gardaí. The system is two fold:

1. Signs are erected on all routes into the community to alert people of community awareness and a text system in place.
2. Members of the community join the text service.

The text service is a system where members of the scheme supply a mobile number. If any members of the scheme notice something suspicious, worrying or if a crime is committed they contact the Gardaí on Ph 045 884300. This is a new initiative by the Gardaí and they have requested these calls. They have the information and technology to process information received and to act upon it. The Gardaí will text the scheme number with information they want circulated.

To join the scheme please fill in the form below and return it with a contribution towards the cost of signs and texts. We would hope people would donate €10 as this should cover costs for 3 years. We recommend only one member (mobile number) per household. Cheques payable to Kerca please.

Forms can be returned to any of the members below.

Please spread the word to neighbours and friends. Please assist elderly people or people living alone to join.

LET'S JOIN TOGETHERE TO KEEP OUR COMMUNITY SAFE.
